

Information Notices on Electricity Management Proposition

A. Information Notice on 4-20 mA (current clamps)

If you are interested in purchasing, renting or leasing an Sensorfact Connected Product, this information Notice ("**Notice**") provides you with information according to the Data Act (EU Regulation 2023/2854)¹. All terms in this Notice shall have the same meaning as in the Data Act.

Should you require additional information beyond what is provided in this Notice, please do not hesitate to contact us at eu-data-act@abb.com with legal@sensorfact.nl on cc.

Details of the Connected Product and Product Data

When this Connected Product is used, its Product Data capabilities are characterised as follows (defined as 'Indirect Access'):

<i>Connected Product (type)</i>	4-20 mA (current clamps)
<i>Connected Gateway (type)</i>	EnOcean gateway
<i>Type of Product Data</i>	Current measurements (single or three phases)
<i>Format of Product Data</i>	CSV
<i>Estimated volume of Product Data</i>	2 MB per day
<i>Collection frequency of Product Data</i>	Continuously in real time (30s)
<i>Storage place of Product Data</i>	Cloud
<i>Intended duration of retention of Product Data</i>	5 years

¹ Regulation (EU) 2023/2854 of the European Parliament and of the Council on harmonised rules on fair access to and use of data (Data Act) those terms shall have the same meaning as in that Union legislation.

B. Information Notice on Power Meter

If you are interested in purchasing, renting or leasing an Sensorfact Connected Product, this information Notice ("**Notice**") provides you with information according to the Data Act (EU Regulation 2023/2854)². All terms in this Notice shall have the same meaning as in the Data Act.

Should you require additional information beyond what is provided in this Notice, please do not hesitate to contact us at eu-data-act@abb.com with legal@sensorfact.nl on cc.

Details of the Connected Product and Product Data

When this Connected Product is used, its Product Data capabilities are characterised as follows (defined as 'Indirect Access'):

Connected Product (type)	Power meter
Connected Gateway (type)	Teltonika gateway
Type of Product Data	Current Voltage Energy Power factor
Format of Product Data	CSV
Estimated volume of Product Data	50 MB per day
Collection frequency of Product Data	Continuously in real time (30s)
Storage place of Product Data	Cloud
Intended duration of retention of Product Data	5 years

² Regulation (EU) 2023/2854 of the European Parliament and of the Council on harmonised rules on fair access to and use of data (Data Act) those terms shall have the same meaning as in that Union legislation.

C. Information Notice on Pulse Counter

If you are interested in purchasing, renting or leasing an Sensorfact Connected Product, this information Notice ("**Notice**") provides you with information according to the Data Act (EU Regulation 2023/2854)³. All terms in this Notice shall have the same meaning as in the Data Act.

Should you require additional information beyond what is provided in this Notice, please do not hesitate to contact us at eu-data-act@abb.com with legal@sensorfact.nl on cc.

Details of the Connected Product and Product Data

When this Connected Product is used, its Product Data capabilities are characterised as follows (defined as 'Indirect Access'):

Connected Product (type)	Pulse counter
Connected Gateway (type)	EnOcean gateway
Type of Product Data	Pulse counts
Format of Product Data	CSV
Estimated volume of Product Data	10 MB per day
Collection frequency of Product Data	Continuously in real time (on change)
Storage place of Product Data	Cloud
Intended duration of retention of Product Data	5 years

³ Regulation (EU) 2023/2854 of the European Parliament and of the Council on harmonised rules on fair access to and use of data (Data Act) those terms shall have the same meaning as in that Union legislation.
